	Title or reference of the maintenance manual				

(1) Low wing, high wing, biplane, etc.

(2) Petrol pistons/two-stroke, diesel pistons, turbojet, electric

(3) Maximum power on test bench

(4) Optional for classes 3 and 4 if fixed quantity of fuel is used

(5) Maximum engine speed defined by the propeller manufacturer

(6) Also specify the diameter

(7) Recommended for non series-produced single-seaters and mandatory in case of transfer.

Signature

I hereby declare that the above information is sincere and that I have been informed that any false declarations are punishable by law.	
Date:	Name, surname and signature (and company stamp, where appropriate):

This form must be signed by the requester of the identification fiche or the person (holder or requester of the identification card) declaring the major modification, accordingly (the authority to sign this form cannot be delegated to a representative)

This form must be attached to the identification form request or the declaration of a major modification accordingly.
