

DSNA

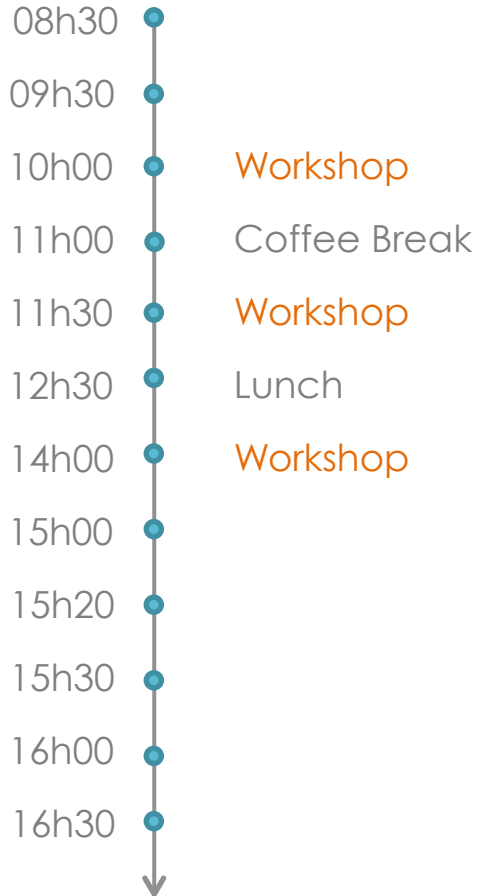

Safety Promotion Committee 2017 Edition

Conclusion

Programme

Workshop themes

- Aeronautical information
- Platform optimization
(HIRO / TOP / RECAT)
- Runway Condition Assessment

Key Points

Safety Awareness

What is our situational awareness collectively ?

Cognitive Bias :

- Confirmation bias
- Optimism bias
- Selective perception

And a lot more !!

Key Points

Safety Awareness

Who is in charge of what ?

Redundancy ?

Lack of trust ?

Need for control ?

For synergy,
everyone has to be aware of their role

Key Points

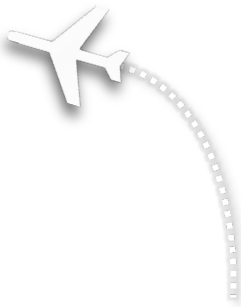

Safety Awareness

How to share information ?

Fight against :

Organizational blindness

Illusion of control

Thank you !
